

# Striving for Gold: Logan's 2032 Games Legacy Forum

**Be a part of planning for Logan's Olympic and Paralympic legacy!**

The Brisbane 2032 Olympic and Paralympic Games present a unique opportunity to create a lasting legacy for Logan. Join us at the Legacy Forum, where community members, businesses, and government will come together to develop a bold and impactful action plan that will benefit our city for generations.

We invite you to attend the forum, share your big ideas, engage with inspiring guest speakers and participate in workshop discussions.

We're excited to have five-time Olympian and director of Brisbane 2032, Natalie Cook OAM OLY as our MC. Nat will bring energy, expert advice and experience to help guide us through the day.

Limited places are available, register your expression of interest at [haveyoursaylogan.com.au/striving-for-gold](https://haveyoursaylogan.com.au/striving-for-gold)
